Room For Five More

Lots of children have swings in the backyard, but this type is rather unusual. It's an electrically operated six-seat ride for children, built with love for children and spare parts and scrap metal from "almost everywhere" by Jimmy Rogers of Appomattox. Son J. C., Jr. is three and the swing-set was a hit with the pre-schoolers at this recent birthday party. The electric ride was used first in a Rescue Squad Day promotion several years ago. Mr. and Mrs. Rogers (the former Peggy Wooten) take the ride to other locations, occasionally, to help a good cause. He has loved "carnival type" rides since his own childhood, using Erector sets first to build tiny ferris wheels. Now, Rescue Squad calls, a growing son, and commuting to the job keep him on the go. Jimmy is an accountability technician for the Commercial Nuclear Fuel Plant at Babcock & Wilcox.

Torch Club

The Appomattox High School Torch Club met on October 9, 1969. President, Kathy Mitchell called the meeting to order. Our Chaplain, Pattie Clements then gave devotions and led us in a word of prayer. Secretary, Virginia Beaty, read the minutes of the last meeting.

Kathy Mitchell discussed the Martinsville trip which will be on Nov. 8, 1969. Registration is $1.00 and lunch is $1.25. All members are urged to attend if at all possible.

Paula Franklin gave an interesting "teen" talk about relationships with friends. A discussion followed Paula's talk. At this meeting, an induction ceremony was held.

Our guest speaker of the month was Martha Harvey, last year's club president. Martha told us of the previous year's activities.

The club then sang the "Hi Y Hymn" and the meeting was adjourned.

CHRISTIAN CHURCH
School Lesson No. 4 for Oct. 26, 1969.
The Two Books of God
Theme: "How precious are thoughts unto me, how great is the sum of them! If I should count them, they are more in number than the sand: when I awake I am still with thee." Ps. 139:17-18.
Aim: To discover from which nature and revelation we get the impress of the character and speak in harmony with it.

Outline: Introduction: Character of the Bible. Q1. God's Word Gen. Ps. 119:105, 140 160. John 17:17. Q2. A divine test. Isa. 8:19,20, 1 Tim. 6: 20; Col. 2:8 II. God Speaks through Natural Things. Q3. In the voice of nature Ps. 19:1,2, 8:3, 4. Q4. In things that are made. Rom. 1:19-20. Q5. Figures of speech not to be construed literally. Isa. 11:12 (last part); Rev. 7:14; III Testimony of Nature and Scripture. Q6. The creator's power in nature. Ps. 33:6-9, Gen. 1:3,6,9. Q7. God's Word interprets nature. Matt. 6:25-34. IV. Mysteries in both books. Q8. Infinite and wisdom. Job 42:1-6. Q9. One reason the Sadducees erred Matt. 22:23,29. Q10. God revealed in Christ. Heb. 1:1-3. V. Study With Divine Guidance. Q11. Promise of the Spirits help. Joh 14:26, 15, 26; 16:13. Q12. Remember the intruder. Gen. 3:1-6. Q13. A prayer for today. Ps. 119:18.

Lesson Summary – Since the book of nature and the book of revelation bear the impress of the same master mind, they cannot but speak in harmony. By different methods and in different languages. They witness to the same great truths. Science is ever discovering new wonders; but she bring from research nothing that, rightly understood, Conflicts with God's revelation. The divine book of nature and the Written Word shed light upon each other. The more we acquainted with God by teaching us some thing of the laws which he works. Education page 128. He who has knowledge of God and His Word through personal experience has a settled faith in the divinity of the Holy Scriptures. He has proved that God's Word is truth, and knows truth can never contradict itself. Isaish the prophet says, To the law and to the testimony: if they speak not according to this word, it is because there is no light in them (Isa. 8:20) It is evident from this statement that it becomes us to be diligent Bible students. We are safe in no other cause of action.
